#### Two Fire Alarms.

The fire department was called out on Friday afternoon by a fire in the woods west of the Badger Box Co's mill. Owing to the distance from the water main it was impossible to do anything toward stopping the flames.

On Monday afternoon another fire occurred on the vacant lots east of the city near Gust Kruger's place. The fence was burned and other slight damage done.

#### Annual Business Meeting.

The Business Society of the First Congregational church will hold its annual meeting for the election of officers, the hearing of reports and the transaction of other business which may come before the meeting, on Friday evening, July 1st at 7:30 p. m. At the close of the business session the ladies of the church will serve refreshments. All the members of the church, and all who regard this as their church home in Grand Rapids, are invited.

By order of the Trustees.

#### Children's Day.

"Hearts of Gold," an exercise for Children's Day, will be given in the Congregational church next Sunday evening by the children of the Sunday school. The exercise will begin promptly at 7:30. There will be the usual morning service at 10:30, and the Young People's meeting at 6:45. All are cordially invited.

#### BIRTHS

A son was born to Mr. and Mrs. Andrew Paulson on June 27th.  
A daughter to Mr. and Mrs. W. J. Hauke on Sunday.  
A son to Mr. and Mrs. Wilbur Whitcomb.  
A daughter to Mr. and Mrs. Sam Rowson.

### INSTALLED A NEW LABELLING MACHINE

The Grand Rapids Brewing company has recently installed a new labelling machine in their brewery, which will label bottles about as fast as three men can handle them. The machine is an Emblot and the labels are put into it in a large bunch, then when it is started up the bottles are put into place by hand and every revolution a label is stuck into place. The boys are not breaking any records as yet with the machine, because they have used it only a short time, but it is so much faster than the old one that they are greatly pleased with it.

They also have a very careful system of inspection which every bottle of their beer goes thru. It is done with the aid of electric lights and after the beer is all ready for delivery, so if a bottle contains the least speck of foreign substance it is detected and thrown aside. The people who do this inspecting become so expert at it that they sometimes set aside bottles with which the ordinary person can find no fault whatever until the trouble is pointed out to them.

The company is making every effort possible to make their product first class, and the volume of trade they enjoy makes it evident that they are supplying their customers with a satisfactory article.

#### Wedding at Rudolph.

Gertie Kersten and Miss Grace Fox were married at the Catholic church in Rudolph this morning at nine o'clock. Rev. VanSever officiating. After the ceremony and congratulations an elaborate wedding dinner was served at the home of the bride's parents, to a large number of relatives and friends.

Miss Fox is a daughter of Mr. and Mrs. Chas. Fox and a most pleasant and winsome young lady and is endowed with qualities to make an excellent helpmate. Mr. Kersten is a sterling young man who has many friends. They will make their future home at Port Edwards where the groom is a valued employee of the Nekoscoo-Edwards Paper Co. The Tribune extends congratulations.

#### Jury Appointed.

On Thursday last Judge Conway appointed a jury to appraise the property of Harvey Geo. and Saul Preston on the west side river bank and on the 30th instant the jury will meet and view the premises. Following is the jury that was appointed: Charles G. Bokland, City; Hermann Holzer, Sigel; J. D. Harring, Nekoscoo; John Granger, Sigel; Edward Provost, Rudolph; Harry Thomas, Sherry; Geo. Pirmann, Seneca; John T. Pupels, Rudolph; Frank Whitcomb, Grand Rapids; Lewis Stratton, Sherry; Nate Anderson, City; Wm. Jackson, Seneca.

#### Eating New Potatoes.

T. J. Cooper reports that he had seen new potatoes from his garden on Tuesday, June 28th. The truck was planted on March 23d, so that it had plenty of time to grow if the weather had been favorable.

### BIG CELEBRATION AT GRAND RAPIDS

We are going to have the streets thoroughly wet and sprinkled with our fire engines Friday, Saturday and Sunday if necessary, so that the business portion of the town will be cool and dustless.

On the morning of the Fourth there will be forty guns at sunrise, in charge of Judge Burton L. Brown.

During the forenoon, we are going to have all of the following attractions and entertaining features, which will be arranged in the form of a program and distributed the morning of the Fourth:

Grand Rapids Band, composed of at least thirty pieces, will play music. This is acknowledged to be the best band in the state, and it will be as good if not better than it was when it received this title at the Milwaukee State Fair last fall, so there will be no doubt of the success of the music. During the forenoon, this band will play concerts and marches on both sides of the river. We will also have a parade of the two Volunteer Fire Companies with their new uniforms, headed by the band, and also a fire run on each side of the river.

In addition, and as a special feature, the fire companies have engaged the Kishwaukee Japanese Troupe, composed of five Japanese artists, the best Japanese Troupe, now in the United States, having played at the principal parks in New York and Chicago, and also with Barnum and Bailey's circus one season, who will give free exhibitions in tumbling, posturing and other acrobatic and balancing feats; also what is called the "The Slide for Life," in which one of the troupe walks up a tight rope on an angle of forty-five degrees at least four stories high, and slides down with nothing to balance him but a parasol. It is the most spectacular and daring act of its nature that is performed by any Japanese troupe in the business.

The fire companies also have engaged Douglas & Douglas and Dog, comedy acrobats, all acknowledged artists in their profession. Each of these seven performers will give three exhibitions during July Fourth on elevated platforms, erected for that purpose at different places along the business streets on the east side, and the west side being so arranged that they can all be seen by each and every spectator.

The Japanese Troupe and Douglas & Douglas are acknowledged head liners in their class and the twenty-one performances that they will give will all be free. These acts have been engaged through Lang's Vaudeville Exchange of Chicago, Illinois, an exchange of good reputation and character, and the fact that they come from Lang's Exchange is a sufficient voucher for their being strictly first class, polite and entertaining in every respect.

As a special feature in the afternoon, the firemen have arranged to secure the returns from the Big Jeffries-Johnson Prize fight, which they will commence to receive at three o'clock p. m., and will announce the same at the Ball Park during the progress of the ball game and continuously as fast as the same is received during the progress of the game.

The afternoon will be taken up with the ball game, the pavilion along the street railway, music by the band and one entertainment from each of the special vaudeville performers.

After supper the band will play a concert, and fireworks such as were never seen in this vicinity to the amount of at least \$500 will be shot off along the bank of the Wisconsin River. This is one of the program, the fireworks will be furnished by Mr. T. E. Mullen, the popular salesman for Johannes, Bros., and as the committee on fireworks did not have any experience with fireworks, they left everything with Mr. Mullen, being confident that the fireworks, in his charge, would be strictly modern, up to date and entertaining, and of course he made the price right, so that we have a large amount of fireworks for the money.

After the fireworks, the firemen's Grand Ball at the Amusement Hall, will accommodate at least four hundred couples; Bliss' complete orchestra will furnish music, and electric fans, ice cream and lemonade will keep the dancers cool and in good spirits.

In every respect it will be the most enjoyable celebration ever given by the city of Grand Rapids, so that the residents of the city would certainly make a mistake by leaving town and our neighbors would certainly do the right thing by coming to town, if they wish to be entertained and enjoy themselves on the Fourth.

Besides what is especially mentioned, there will be other features. The programs will be ready Saturday night and will be distributed Saturday night, Sunday and Monday.

All of the above, except the ball game and the dance in the evening to be absolutely and positively free, there being no charge of any kind, nature or description connected with the same.

Signed,  
The Volunteer Fire Companies of Grand Rapids, Wisconsin.

Notice

After this celebration no one will ever suggest changing the name of Grand Rapids again. In addition to all the foregoing free attractions Daly's Theater will furnish a matinee and evening performance of St. Elmo by a first class city company at special prices and the "Ideal" and "Grand" will run motion picture shows all day and evening.

### AFFECTED BY THE EXTREMELY HOT DAY.

The editor of the Stevens Point Journal was evidently in the city last Wednesday to see the citizens, and he is inclined to be a little sarcastic about the dust and hot weather that prevailed here that day, and the fact that the circus train did not get here on time.

Well, it was hot that day, but, bless your heart, old man, we are not to blame for the weather. It was hot other places the same day. In some places it was even hotter than it is here. It was also dusty, but that is one of the natural outcomes of having a prolonged drought. There are very few cities, and we think that Stevens Point are among the number, that would be able to take care of a lot of extra road and keep it wet down so there would be no dust on a day like last Wednesday when there was such an unusual crowd in town. The reason there is no dust in Stevens Point is because there is nothing there to stir up a dust.

It may have been that the Stevens Point people went home in a sorry bedraggled manner, but we want to say right here that they were no worse off than the rest of the people. It was a hard day for everybody, and we doubt if there was anyone who did not have more hardship than pleasure out of it.

#### Marvin-Muir.

At the home of Mr. and Mrs. A. M. Muir, Tuesday, June 28th at 7 o'clock, their youngest daughter Miss Janet E. Muir and Mr. Gilbert E. Marvin of Nekoscoo were united in marriage by Rev. Father Walters, pastor of Saint John's Episcopal church, Mrs. Wilbur A. Herschleb, sister of the bride, acted as matron of honor and Mr. Kirk Muir a brother as groomsmen, with little Miss Gwen Telfer as ring bearer and Miss Genevieve Telfer as flower girl. Miss Galligan of Nekoscoo playing the wedding march.

The bride and matron of honor were charmingly gowned in white, while the groom and groomsmen wore the conventional black. The bride carried a large bouquet of white roses and ferns, and the matron of honor one of pink roses.

After the ceremony a delectable dinner was served in the dining room, which was very prettily decorated with roses, pink and white carnations and ferns for the occasion.

The happy couple left that evening on a short wedding trip to the southern part of the state. Upon their return they will reside in Nekoscoo, where the groom has prepared a very comfortable home adjoining that of A. U. Marvin, on Third street.

Mr. Marvin is the only son of Mr. and Mrs. A. U. Marvin, and holds a responsible position with the Nekoscoo-Edwards Paper Co. and is highly esteemed by all who know him. Miss Muir grew up in our city and is a most estimable and accomplished young lady. Her quiet and unassuming manner endeared her to all. Their many friends join in wishing them every joy through life.

Those from out of town attending the wedding were: Mr. and Mrs. O. M. Netherwood of Oregon, Wis.; Mr. and Mrs. J. L. Marvin, Manson, Wis.; Mr. and Mrs. F. L. Hudson, Wausau, Wis.; Mrs. C. A. Jones, Mazomanie, Wis. and Mr. and Mrs. R. P. Doud, Winona, Minn.

#### Notice to Water Users.

Notice is hereby given to all users of city water in the city of Grand Rapids, Wisconsin, that because of the shortage in the supply of water in said city the use of city water for sprinkling purposes is hereby limited to the following hours, to-wit:

On week days from six o'clock p. m. until seven o'clock p. m. on Tuesdays and Thursdays; and from six o'clock a. m. to six o'clock p. m. on Sundays, until further notice.

Any person or persons violating this order will be liable to the penalties as provided in Ordinance No. 121 of the city of Grand Rapids, June 25th, 1910.

#### Not in Our Class.

The Stevens Point ball team was beaten by the home team on Sunday afternoon at the ball park by a score of 1 to 1. The visitors had engaged Moon to throw for them and he pitched a fair game but was wild at times and walked several men. Notwithstanding that it was a one sided game there was considerable enthusiasm. Foster pitched his usual steady game and was ably supported by Truesdell. One of the features of the game was a fine three base hit by Crows of Nekoscoo who has been playing first with the Wisconsin University team, bringing in two runs.

On Sunday and the 4th the Portage team will be here and the fans will be treated to two interesting games.

#### Beat Nekoscoo.

The Grand Rapids Colts showed their superiority over the Nekoscoo locals last Sunday by defeating them in a one sided game, the score being 10 to 1 in favor of the Colts. Smith and Dolan were batteries for the Colts and Bents and Crows for the Locals.

Umpire—Bougarl. Time 1:40.

#### Cafe Was Short-Lived.

The proprietors of the Crystal Cafe have quit, after a career of only three days. Lack of patronage is said to be the cause of their sudden stoppage.

### COMMENTS CONCERNING OUR WATER SUPPLY.

On Saturday Fred Duncan was clearing out one of the meters that registers the amount of water delivered to the St. Paul railway company, when he ran across an accumulation of filth that would cause almost any person to shy who had to take a drink of our city water.

He found about half a township of filth in the meter, and it included telegraph wires, caterpillars, and a various assortment of bugs and worms too numerous to mention. The sight was one that was calculated to cause almost anyone to lose his love for water, especially, city water.

Just where the bugs and worms came from is not known, but they are supposed to have come from the river water that has been pumped into the mains from time to time, and wherever they came from, some effort should be made to avoid them in the future.

One citizen has made the suggestion, and it seems to be a good one, that some sort of a filtering plant be installed at the west side pumping station, so that when necessary to use river water it will be clear of obnoxious matter of all kinds.

While we have made extensive improvements to our wells during the past year, there seems to be about the usual shortage of spring water this summer. While this is contrary to the predictions made by Engineer Kiehn, they nevertheless exist, and they are not to be wondered at.

The so-called spring water that we use is merely water that falls on the land back from the river, and eventually finds its way under the soil, to some low place, like the bed of the Wisconsin river. The supply of water depends entirely upon the amount that falls on the land, and when there are a couple of seasons when little or no water falls, it is evident that there can be but little water coming from the springs.

Another thing that has a tendency to reduce the amount of water coming from the springs is the fact that a large part of the country east of the city was once of a marshy character, and had water standing on it the year round. Of late years a large share of this land has been drained, thereby cutting off a large share of the water.

There is little question but what in years to come we will be up against a severe proposition each summer on the water question, and it would seem best to make the best provisions possible to have a supply of river water.

Supt. Pfeiffer says there would be plenty of water if the people did not use so much in sprinkling their lawns. However, the people go on sprinkling, so the shortage continues.

During an interview with Mayor Wheeler on Tuesday that gentleman stated that an effort was being made at the present time to get along without pumping any river water into the system, and the indications are that they will be able to do so provided the people of the city will observe the regulations regarding sprinkling.

#### The New Pavilion.

The amusement pavilion recently erected by the street car company, has been finished and the opening will be held this afternoon and evening. There will be music and dancing and everything will be free, the public being cordially invited to attend.

The site selected for the pavilion is one of the most beautiful in the city, it being right at the mouth of Moccasin creek and at a point where there is quite a bend in the river, so that when sitting on the river side of the structure one can look both up and down stream for quite a distance. During the afternoon and early evening the view is a most beautiful one, and will be an ideal spot for picnic parties or any kind of an afternoon gathering during the summer.

The pavilion has a large dance floor in the center and is surrounded by a wide porch, the whole being covered by a roof. There are dressing rooms, check rooms, etc., and the dance floor is of nicely finished hardwood, while the whole structure is lighted by electricity making a very cheerful appearance at night.

There is no question but what the new hall will be a popular resort during the summer months.

John Woodell has made a contract with the Street Ry. Co. to run the different refreshment stands at the Pavilion this season. Mr. Woodell will be assisted by his mother and brother Allen who have rented a house opposite the grounds where they will reside.

Chas. Bokland has been sworn in as a deputy sheriff, and will do police duty at the Pavilion. The management intend to keep good order out there at all times.

Harvey Eimmerman, decorator at Johnson & Hill Co's. store, did the decorating at the Pavilion for the opening, and it presents a very handsome appearance.

The Street Railway Co. intend to give two dances a week, Wednesday and Friday evenings, from 8 to 11. Music is to be furnished by the Bliss orchestra. Tickets 25 cents.

#### Attended Convention.

A. O. Otto went to Elkhardt Lake on Monday to attend a state convention of the Wisconsin Pharmaceutical Association and a meeting of the Rexall members. Mr. Otto is president of the Rexall association and is one of the enthusiastic members.

Arthur Stoklos and Assemblyman Geo. P. Haubrecht left this morning for Shiocton where they will represent the Grand Rapids Area as delegates to the annual state convention of Eagles which convenes there this week.

It may have been that the Stevens Point people went home in a sorely bedraggled manner, but we want to say right here that they were no worse off than the rest of the people. It was a hard day for everybody, and we doubt if there was anyone who did not have more hardship than pleasure out of it.

### Marvin Muir.

At the home of Mr. and Mrs. A. Muir, Tuesday, June 21st at 7 o'clock, their youngest daughter Miss Janet E. Muir and Mr. Gilbert E. Marvin of Nekooza were united in marriage by Rev. Father Walters, pastor of Saint John's Episcopal church, Mrs. Wilbur A. Herschleb, sister of the bride, acted as matron of honor and Mr. Kirk Muir a brother as groomsmen, with little Miss Gwen Telfer as ring bearer and Miss Genevieve Telfer as flower girl. Miss Galligan of Nekooza playing the wedding march.

The bride and matron of honor were charmingly gowned in white, while the groom and groomsmen wore the conventional black. The bride carried a large bouquet of white roses and ferns, and the matron of honor one of pink roses.

After the ceremony a delectable dinner was served in the dining room, which was very prettily decorated with roses, pink and white carnations and ferns for the occasion.

The happy couple left that evening on a short wedding trip to the southern part of the state. Upon their return they will reside in Nekooza, where the groom has prepared a very comfortable home adjoining that of A. U. Marvin, on Third street.

Mr. Marvin is the only son of Mr. and Mrs. A. U. Marvin, and holds a responsible position with the Nekooza-Edwards Paper Co. and is highly esteemed by all who know him. Miss Muir grew up in our city and is a most estimable and accomplished young lady. Her quiet and unassuming manner endeared her to all. Their many friends join in wishing them every joy through life.

Those from out of town attending the wedding were: Mr. and Mrs. O. M. Netherwood of Oregon, Wis., Mr. and Mrs. J. L. Marvin, Mauston, Wis., Mr. and Mrs. F. L. Hudson, Wausau, Wis., Mrs. C. A. Jones, Mazomanie, Wis. and Mr. and Mrs. R. F. Doud, Winona, Minn.

### Notice to Water Users.

Notice is hereby given to all users of city water in the city of Grand Rapids, Wisconsin, that because of the shortage in the supply of water in said city the use of city water for sprinkling purposes is hereby limited to the following hours, to-wit:

On week days from six o'clock p. m. until seven o'clock p. m. on Tuesdays and Thursdays; and from six o'clock a. m. to six o'clock p. m. on Sundays, until further notice.

Any person or persons violating this order will be liable to the penalties as provided in Ordinance No. 121 of the city of Grand Rapids, June 27th, 1910.

Fred Pfeiffer, Superintendent  
E. W. Ellis  
W. E. Wheelan

### Not in Our Class.

The Stevens Point ball team was beaten by the home team on Sunday afternoon at the ball park by a score of 6 to 1. The visitors had engaged Moon to throw for them and he pitched a fair game but was wild at times and walked several men. Notwithstanding that it was a one sided game there was considerable enthusiasm. Foster pitched his usual steady game and was ably supported by Dragreiser. One of the features of the game was a fine three base hit by Crown of Nekooza who has been playing first with the Wisconsin University team, bringing in two runs.

On Sunday and the 4th the Portage team will be here and the fans will be treated to two interesting games.

### Beat Nekooza.

The Grand Rapids Colts showed their superiority over the Nekooza locals last Sunday by defeating them in a one sided game, the score being 10 to 1 in favor of the Colts. Smith and Dolan were batteries for the Colts and Bentz and Crows for the locals.

Umpire—Bougard. Time 1:40.

### Cafe Was Short-Lived.

The proprietors of the Crystal Cafe have quit, after a career of only three days. Lack of patronage is said to be the cause of their sudden stoppage.

### COMMENTS CONCERNING OUR WATER SUPPLY.

On Saturday Fred Duncan was cleaning out one of the meters that registers the amount of water delivered to the St. Paul railway company, when he ran across an accumulation of filth that would cause almost any person to shy who had to take a drink of our city water.

He found about half a teaspoon of filth in the meter, and it included helgramites, caterpillars, and a various assortment of bugs and worms too numerous to mention. The sight was one that was calculated to cause almost anyone to lose his love for water, especially, city water.

Just where the bugs and worms came from is not known, but they are supposed to have come from the river water that has been pumped into the mains from time to time, and wherever they came from, some effort should be made to avoid them in the future.

One citizen has made the suggestion, and it seems to be a good one, that some sort of a filtering plant be installed at the west side pumping station, so that when necessary to use river water it will be clear of obnoxious matter of all kinds.

While we have made extensive improvements to our wells during the past year, there seems to be about the usual shortage of spring water this summer. While this is contrary to the predictions made by Engineer Kisheloff, they nevertheless exist, and they are not to be wondered at.

The so-called spring water that we use is merely water that falls on the land back from the river, and eventually finds its way, under the soil, to some low place, like the bed of the Wisconsin river. The supply of water depends entirely upon the amount that falls on the land, and when there is a couple of seasons when little or no water falls, it is evident that there can be but little water coming from the springs.

Another thing that has a tendency to reduce the amount of water coming from the springs is the fact that a large part of the country east of the city was once of a marshy character, and had water standing on it the year round. Of late years a large share of this land has been drained, thereby cutting off a large share of the water.

There is little question but what in years to come we will be up against a severe proposition each summer on the water question, and it would seem best to make the best provisions possible to have a supply of river water.

Supt. Pfeiffer says there would be plenty of water if the people did not use so much in sprinkling their lawns. However, the people go on sprinkling, so the shortage continues.

During an interview the gentleman stated that an effort was being made at the present time to get along without pumping any river water into the system, and the indications are that they will be able to do so provided the people of the city will observe the regulations regarding sprinkling.

### The New Pavilion.

The amusement pavilion recently erected by the street car company, has been finished and the opening will be held this afternoon and evening. There will be music and dancing and everything will be free, the public being cordially invited to attend.

The site selected for the pavilion is one of the most beautiful on the river, it being right at the mouth of Moccasin creek and at a point where there is quite a bend in the river, so that when sitting on the river side of the structure one can look both up and down stream for quite a distance. During the afternoon and early evening the view is a most beautiful one, and will be an ideal spot for picnic parties or any kind of an afternoon gathering during the summer.

The pavilion has a large dance floor in the center and is surrounded by a wide porch, the whole being covered by a roof. There are dressing rooms, check rooms, etc., and the dance floor is of nicely finished hardwood, while the whole structure is lighted by electricity making a very cheerful appearance at night.

There is no question but what the new hall will be a popular resort during the summer months.

John Woodell has made a contract with the Street Ry. Co. to run the different refreshment stands at the Pavilion this season. Mr. Woodell will be assisted by his mother and brother Allen who have rented a house opposite the grounds where they will reside.

Chas. Ecklund has been sworn in as a deputy sheriff, and will do police duty at the Pavilion. The management intend to keep good order out there at all times.

Harvey Zimmerman, decorator at Johnson & Hill Co's. store, did the decorating at the Pavilion for the opening, and it presents a very handsome appearance.

The Street Railway Co. intend to give two dances a week, Wednesday and Friday evenings, from 8 to 11. Music to be furnished by the Bliss orchestra. Tickets 20 cents.

### Attended Convention.

A. C. Otto went to Elkhart Lake on Monday to attend a state convention of the Wisconsin Pharmaceutical Association and a meeting of the Rexall members. Mr. Otto is president of the Rexall association and is one of the enthusiastic members.

Arthur Stokles and Assemblyman Geo. P. Hambrecht left this morning for Sheboygan where they will represent the Grand Rapids Aerle as delegates to the annual state convention of Eagles which convenes there this week.

Comparing Administrations.

In an address on April 13th, 1910, at LaCrosse, Honorable Stephen Richmond gave the following facts and statistics relative to the Republican administration of public affairs in the State and Nation: "Hon. Geo. W. Park, is one of the most honored citizens of Wisconsin today, and this is due to his honest administration of public affairs when governor. The average of all annual state disbursements for his four years was \$2,863,455, while the last year of LaFollette's term it was \$7,542,333, and for 1909 it rose to \$9,189,661, and for 1900 it is estimated above \$10,000,000. Why this enormous increase in the expense of the carrying on of the state business? Again, I ask why?

The railroads of the state in 1891, paid into the state treasury the sum of \$1,428,708.66, and in 1909, the sum of \$3,118,598.45.

The honest people of Trempealeau county in 1891 were assessed and paid a state tax of \$5,506, but in 1909, they paid the sum of \$29,210; our very near neighbor on the west, honest old Buffalo county paid state tax in 1891, of \$9,762, and in 1909, the sum of \$32,815; our neighbor east, named after that royal old Democrat Jackson, paid in 1891 the sum of \$1,174 and in 1909, the sum of \$21,692; Eau Claire county, our growing and prosperous neighbor on the north, paid in 1891, the sum of \$8,124 and in 1909, the sum of \$50,737; while the thirty people of the big western County LaCrosse, paid in 1891, the sum of \$4,890 and in 1909 the sum of \$56,951, "exclusive of charges for care of patients in state hospital for insane, industrial schools, etc." "The same ratio of increase of taxes holds true to the other counties of Wisconsin. Should not the people wish a return of honesty and economy in state affairs, that their money be left with them to use for their personal comfort, or to be invested for personal improvements at home, in betterment of county, city, town and school buildings and necessities? You will note the increase of railroad taxation was over 100 per cent, while in the counties named the increase on personal and real property was between 500 and 700 per cent. Where, where we ask is the political glory claimed for our partisan opponents? It is brazen bluff, bald cant under which the hypocrisy is easily discovered, and the facts plainly seen.

Let us take a brief look in at the federal expense. It is equally full of surprise and leakage. But you saw we expected this. The last four years of President Cleveland's services cost the people of the country the total of \$1,800,000,000. Congress appropriated for the first two years of Taft's term the sum \$2,052,000,000, for two years an increase of \$192,000,000 over and in excess of four years of democratic rule. If the present congress appropriates an equal sum for the last two years of Taft's service, a total of \$4,101,000,000 or an excess over the Cleveland term of \$2,244,000,000. Do the people endorse such extravagance? They surely do not, and this extravagance must be changed and our national government be conducted with patriotic prudence and in a spirit of right. "Public office is a public trust," and only patriots should be chosen."

ONE WEAK SPOT.

Most Grand Rapids People Have a Weak Spot and Too Often It's Back.

Everyone has a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aches keep up day and night. Tells you the kidneys need help. For backache is really kidney-ache. A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys. Cure backache and urinary ills. Good proof in the following statement: Charles H. Curtis, 711 Church St., Stevens Point, Wis., says: "I suffered terribly from a pain in the small of my back and at times could hardly dress myself in the morning on account of the trouble. I finally knew what was the matter, but finally decided that my kidneys were disordered. I then procured a box of Doan's Kidney Pills and began their use. This, remedied almost promptly and I have no hesitation in saying that it is one of great effectiveness in cases of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

BIRON

Mr. and Mrs. Joe Grandshew of Rudolph are making their final visit with relatives here before they leave for an extended visit in Canada.

Mrs. Jim Gokay of Rudolph spent a few days here the past week with her daughter, Mrs. H. Weaver and family and her son, Frank Gokay and wife.

Mr. and Mrs. A. L. Akey Sundayed in your city.

Miss Emma Swantz of the south side is here to spend the summer with her sisters, Mesdames Clarence Sipe and Ernest Peterson and families.

Miss Agnes Munger and Harry Rivers attended a party at the latter's home at Rudolph Saturday night.

Mr. and Mrs. John Magnuson of Irma were the guests of Mr. and Mrs. John Johnson the past week.

M. and Mrs. O. H. DeLong, nee Elsie Akey, of Fond du Lac are the proud owners of a baby boy, born last Friday. This may interest many here as Mrs. DeLong is well and favorably known in this vicinity.

The big draft horse belonging to the company here is very sick at this writing.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets cleanse and regulate the stomach, improve the digestion, regulate the bowels, give them a trial and get well. Sold by all dealers.

Scared Into Sound Health.

Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder, which grew worse until I became alarmed at my condition. I suffered with a dull, heavy pain in the back, the action of my bladder was annoying and painful. I read of Foley's Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free of all distress." Johnson & Hill Co. and J. P. Daly.

PITTSVILLE (From the Record.)

H. McMillan and family leave today for Alma Center where Mr. McMillan has traded his property here for a farm at that place. Chester will, however, return here in the fall and continue his schooling at Pittsville. The man to whom he has traded the property here in the city will go into the chicken business.

L. Nelson, living near City Point, suffered the loss of his tool shop and big chicken house by fire one day last week. His loss includes the farm wagon, sleigh, harness and a quantity of chickens. The fire is of doubtful origin and Mrs. Nelson was the only one at home at the time. It is covered by a little insurance.

Ash Fishback comes to the front with a new appliance for which he has made application for a patent. It is an ingenious contrivance for the cultivation of the potatoes and giving the baby a ride at the same time and as Ash states it it keeps the lady of the house out of mischief. His plan is to simply put a pair of cultivator shovels on the baby carriage and straddle a row of potatoes, and then all you have got to do is to push, thus entertaining the baby while you hoe the garden.

A quantity of Fourth of July goods caught fire from spontaneous combustion caused by the heat of the sun in the west window of the Horgan drug store Sunday afternoon. It was noticed by passers by on the street, the window broken in and water from the nearby town pump thrown on until the flames were subdued.

Geo. N. Wood arrived in the city Friday on his way to his home at Grand Rapids after an extended trip through the west taking in Minneapolis, St. Paul, Hudson, Eau Claire, Chippewa Falls and Stanley. He made some very good time and says the country west is drier than here.

Chas. Hagar placed an order with Mr. Davis for a new Buick automobile last week. The machine will be along shortly.

Chas. Parker was at Shellburg and other points in that part of the state the latter part of last week and this looking for a location.

NEKOOSA (From the Times.)

A fire which seriously threatened to spread into the Nekoosa-Edwards Paper Co's. wood yard occurred in the marsh north of the O. M. & St. P. loop last Friday afternoon. Sparks from the locomotive pulling the way freight are thought to have started the fire and on account of the dry weather, the brisk west wind which was blowing soon fanned up a roaring blaze headed for the wood yard. The village and mill fire departments were called out and succeeded in getting the fire under control after a few hours battle, confining it to the west side of the tracks. Port Milwaukee responded promptly to a call for more hose which was necessary in order to get two streams on account of the distance from the nearest hydrant on Market street. Five trucks out again north of the loop on Tuesday at about one o'clock while the way-freights were in. The fire department responded to the alarm and quickly put out the fire.

Al Smith, formerly located at Nekoosa, but more recently at Bancroft, has applied for a saloon license at Pittsville in place of Chas. Parker.

Nekoosa people are going to celebrate in Nekoosa this time and the more of our friends from surrounding towns who come here to join us, the better we will like it.

Mrs. John McLean and son, Clifford arrived here from San Jose, California last week to reside here. Mr. McLean has been employed at San Jose as a street car conductor. He expects to return to Nekoosa in a couple of months.

MEEHAN

Rev. Richardson of Ontario, a presiding elder of the U. B. church, was here last week looking after church affairs.

Perry Slack of Merrill was here last week helping his son Harry break up some new land.

Mr. and Mrs. D. H. Parks drove down to Strong's Prairie Saturday and spent the following day visiting with relatives.

"The Ringling Bros." show at Grand Rapids last week attracted a great many of our people there.

S. H. Gully of your city has been visiting with friends here the past week.

The death of Geo. Wilmet of Plover was a surprise to a good many of us. As he was an old time citizen he had many acquaintances here as well as other places.

Miss Dora Warner is at home again after being gone for some time.

Donald Fox is spending a week under the parental roof. He will return to his work on the Moss place after the Fourth.

The continued hot, dry spell of late has done much damage here. Little clover and spring seedling is about destroyed. The hay crop will be a total failure and other crops are backward and will undoubtedly be light at harvest time.

Francis Slizinski and Joe Kaczorowski were married at the Plover Catholic church Monday morning. They will go to housekeeping here immediately. They have many friends who wish them much joy.

Notice of Application for Final Settlement.

Wind County Court, Probate Department, In the matter of the estate of Cassie M. Rockwell, deceased.

I, Judge and filing the application of J. W. Rockwell administrator of Cassie M. Rockwell, representing among other things that she has fully administered the said estate, and praying that a time and place be fixed for examining and allowing the said account of his administration, and that the residue of the said estate be assigned to such persons as are by law entitled to the same.

It is ordered, that said application be heard by the court, at a general term thereof to be held at the probate office, in the city of Grand Rapids, on the 6th day of September, 1910, at 10 o'clock a.m.

And it is further ordered, that notice of the time and place of examining and allowing said account be given to all persons interested, by publication of a copy of this order, for three successive weeks in the Grand Rapids Tribune, a newspaper published in said county, before the day fixed for said hearing.

Dated this 15th day of June, 1910.

By the Court, W. J. Conway, County Judge, Goggles, Brazner & Briere, Attorneys for Administration.

SIGEL

The Polish Catholic school finished their work for the past year with a nice program on June 24th consisting of declamations and speeches and a little play entitled "A Proud Student" which was heartily enjoyed by the audience. One of Martin Bergman's horses was hurt quite badly on a wire fence last Monday.

—Biggest line of fireworks in the city at Daly's.

KELLNER.

Nearly everyone attended Ringling Bros. Grand Show. Although Ringling Bros. circus was late on account of some bad luck on the way up from Beaver Dam, where they showed the day before, their show was proclaimed ideal by each and every person who attended. Everything that appeared on the bill boards and advertising papers was seen by the audience, actually done, which proves them to be a respectable company and no fake.

Little Leslie Gussel, son of Mr. and Mrs. Charlie Gussel, is seriously ill. Dr. J. J. Looze of your city is the attending physician.

Our mail man makes his regular trips with an auto cycle which brings him around about three hours earlier.

Miss Minnie Polkan returned to her home at Stevens Point after visiting at the Rev. Krascho home for some time.

The Joecks Brothers will give a Fourth of July celebration this year. A ball game will take place in the afternoon between the Indian nine from Elm Lake and the home team. Races and other attractions will also take place. Music will be furnished by the Big Four orchestra. The balloon may go up, but if it doesn't, Zoufflen's airship will surely go up and take some passengers along.

Remember that Mr. Winger, our blacksmith, has a hay rake and buggy for sale cheap. Almost a give away.

Next Sunday there will be quarterly meeting at the school house of the Lutheran congregation.

Mr. and Mrs. David Ramsey and son Clement visited at the home of the former's parents, Mr. and Mrs. Warren Ramsey. David Ramsey conducts a large farm at Saratoga.

Miss Sophia Joecks returned from Milwaukee on Tuesday.

Master Milton Ray of Almond is visiting at the home of his uncle, G. H. Munroe.

Mr. Gallagher, who has charge of his brother-in-law's farm at Princeton, came home on Saturday to look after his interests here.

Mr. Basting, the C. and N. W. R. R. agent of your city, was in our burg looking after freight interests and also for a new man to take charge of the depot.

Last Sunday there was a ball game played between the home team and a team from your city without a name. The last time they were out we called them the "High School Kids," but they said that was an insult so this time we will call them "Honorable Men." They thought they had run up against a "kid," but they did not. The score was 5 to 4 in favor of Kollner.

Miss Elizabeth Henkle is the owner of a new Kimbal organ.

Wm. Connet was on our streets Saturday.

RUDOLPH

Mrs. McKinley of Minnesota arrived here the past week to attend the Pos-Kersten wedding and visit with relatives for some time.

John Kolha recently sold some of his property in Grand Rapids near the Box factory. The impression seemed to be that Mr. Kolha had sold part of his farm, but that is not the case.

Mrs. E. Hamschild and Miss Minna Myers were out riding one day last week.

Peter Kraus is building a wagon shed on his new farm.

Chas. Fuller was in your city Sunday to attend the ball game.

Harry Rivers Sundayed at Rudolph with his parents.

Come one and all and have your pictures taken in the latest style by H. D. Kater.

Fred Engel is framing a large barn this week.

Mrs. Frank Akey is visiting with relatives in the southern part of the state.

Miss Eva Akey is attending summer school at the Stevens Point Normal.

Mrs. Fred Piltz was a visitor at the home of her sister, Mrs. Karantz at Almond last week.

Mr. and Mrs. Dan Kozin, who rented their farm this spring for a term of five years, expect to spend several months visiting among relatives and friends at Grounover, Warren and other points around the state. They are both enjoying pretty good health and their many friends around Rudolph wish them a very pleasant time.

Stomach Troubles.

Many remarkable cures of stomach troubles have been effected by Chamberlain's Stomach and Liver Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. Samples free at Daly's drug store.

Millions Spent on Frauds.

Over \$15,000,000 annually is poured into the coffers of those who exploit and advertise fake consumption cure, according to a statement issued today by the National Association for the Study and Prevention of Tuberculosis, and for this vast sum the victims receive nothing in return, but are often permanently injured and in the majority of cases cheated out of the chance for a real cure. Worse still, most of this money is paid by those who can least afford it.

The National Association has investigated several hundred so-called "cures" and "treatments" for tuberculosis now being advertised throughout the country, and finds that more than \$8,000,000 a year is being spent in soliciting the patronage of the public. On examination, it has been found that the great majority of these "cures" contain harmful and habit forming drugs such as morphine, opium and chloroform. None of them will cure consumption. The only cure for this disease that has ever been discovered is the combination of fresh air, rest and wholesome food. All of the "cures" that attempt to destroy the tubercle bacillus without these or to stop the progress of the disease in some mysterious way are branded as frauds, and impostures.

Three classes of "cures" are distinguished by the National Association. In the first class are included devices and drugs which can be bought for any sum ranging from ten cents to five dollars at a druggist. The United States Department of Agriculture has just issued a bulletin in which some of the most used of these drugs and remedies are analyzed and condemned. The second class of "cures" includes the "institutes," "professors" or companies of "doctors," who for a consideration guarantee to cure consumption by some secret method of which they are the sole proprietors. There are nearly one hundred and fifty of these institute frauds in the United States, cheating the people out of millions of dollars annually.

In the third class of "cures" are placed a number of home made remedies, which either through ignorance or superstition have been advanced as treatments for tuberculosis. Some of these are, onions, lemons, rattlesnake poison, coal dust, lime dust, pigs' blood, dog oil, milk "drippings," and even alcohol. These will not cure consumption declares the National Association. No drug, gas or other material has yet been discovered, which, when eaten, inhaled or injected into the body, will kill the germs of tuberculosis. Fresh air, which contains more oxygen than any substance known, will destroy the germs of tuberculosis, if it is breathed continuously for a long enough period, and if rest and wholesome food are employed at the same time to build up the body.

## Comparing Administrations.

In an address on April 13th, 1910, at LaCrosse, Honorable Stephen Richmond gave the following facts and statistics relative to the Republican administration of public affairs in the State and Nation:

"Hon. Geo. W. Peck, is one of the most honored citizens of Wisconsin today, and this is due to his honest administration of public affairs while governor. The average of all annual state disbursements for his four years was \$2,863,535, while the last year of LaFollette's term it was \$7,542,323, and for 1909 it ran to \$9,789,091, and for 1909 it is estimated above \$10,000,000. Why this enormous increase in the expense of the carrying on of the state business? Again, I ask why?

The railroads of the state in 1894, paid into the state treasury the sum of \$1,436,758.45, and in 1909, the sum of \$3,118,598.45.

The modest people of Trempealeau county in 1894 were assessed and paid a state tax of \$5,566, but in 1909, they paid the sum of \$39,210; our very most neighbor on the west, honest old Buffalo county paid state tax in 1894, of \$3,762, and in 1909, the sum of \$32,846; our neighbor east, named after that royal old Democrat Jackson, paid in 1894 the sum of \$1,174 and in 1909, the sum of \$21,569; Eau Claire county, our growing and prosperous neighbor on the north, paid in 1894, the sum of \$8,131 and in 1909, the sum of \$50,797; while the thirty people of the big western County LaCrosse, paid in 1894, the sum of \$4,800 and in 1909 the sum of \$50,054, "exclusive of charges for care of patients in state hospital for insane, industrial schools, etc." The same ratio of increase of taxes holds true to the other counties of Wisconsin. Should not the people with a return of honesty and economy in state affairs, that their money be left with them to use for their personal comfort, or to be invested for personal improvement of county, city, town and school buildings and necessities? You will note the increase of railroad taxation was over 100 per cent, while in the counties named the increase on personal and real property was between 500 and 1700 per cent. Where, where we ask is the political quack claimed for our partisan opponents? It is brazen bluff, bald cant under which the hypocrisy is easily discovered, and the facts plainly seen.

Let us take a brief look in at the federal expense. It is equally full of surprises and leakage. But you say we expected this. The last four years of President Cleveland's services cost the people of the country the total of \$1,800,000,000. Congress appropriated for the first two years of Taft's term the sum \$2,052,000,000, for two years an increase of \$102,000,000 over and in excess of four years of democratic rule. If the present congress appropriates an equal sum for the last two years of Taft's service, a total of \$4,104,000,000 or an excess over the Cleveland total of \$2,052,000,000. Do the people understand such extravagance? They surely do not, and this extravagance must be changed and our national government be conducted with patriotic prudence and in a spirit of right. Public office is a public trust, and only patriots should be chosen."

## ONE WEAK SPOT.

Most Grand Rapids People Have a Weak Part and Too Often It's the Back.

"Everyone has a weak spot. Two often it's the back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Tells you the kidneys need help. For backache is really kidney trouble. A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys. Cure backache and urinary ills. Good proof in the following statement:

Charles H. Curtis, 711 Church St., Stevens Point, Wis., says: "I suffered terribly from a pain in the small of my back and at times could hardly dress myself in the morning on account of the trouble. I hardly knew what the matter was, but finally decided that my kidneys were disordered. I then procured a box of Doan's Kidney Pills and began their use. This remedy acted promptly and I have no hesitation in saying that it is one of the greatest effectiveness in cases of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## SARATOGA

Miss Pearl Swanson spent a few days the past week at the home of her aunt, Mrs. James Knutson.

The Ladies Aid Society met last week with Mrs. N. Soderland and a large crowd attended.

Mr. and Mrs. Tim Smith of Plainfield spent Thursday with Mr. and Mrs. James Knutson.

Peter and Harold LaBelle are spending the summer with their grandparents, Mr. and Mrs. Frank Gallier.

Bertie Nelson and little nephew, Reginald Clingworth arrived here Saturday from Sturgeon Bay and will spend the remaining summer with her aunt, Mrs. Pauline Hansen.

Ed. Samson and George Snyder were seen on our streets last Sunday.

Earl Slattery of Sturgeon Bay visited with his aunt, Mrs. Pauline Hansen, one day this week.

## FOURTEEN MILE CREEK

Mrs. Cora Brown returned to her home at Spring Creek on Wednesday.

Mrs. E. Miller of Grand Marsh is visiting her parents, Mr. and Mrs. I. Jore.

Walter Cain and family were callers at Spring Creek on Wednesday.

Mrs. A. L. Skinner and daughter were visiting with friends in this burg the past week.

"I feared me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all dealers.

## Democratic Convention.

By direction of the Democratic State Central committee, a delegate convention of the Democratic electors of the state of Wisconsin is hereby called to be held in the city of Milwaukee, Tuesday, July 12, 1910, at 12 o'clock noon, for the purpose of perfecting the party organization in the state, and formulating a platform setting forth the principles and policies for which the Democratic party of Wisconsin stands, thereby giving aid and counsel to the candidates of said party whose legal duty it is to formulate the party platform and who will be chosen at the September Primaries, and for the transaction of such other business as it may decide upon.

All voters of Wisconsin, irrespective of past party affiliations, who believe in Democratic principles, are urged to be present in electing delegates to this convention.

## NEKOOSA

A fire which seriously threatened to spread into the Nekoosa-Paper Co's. wood yard occurred in the north corner of the C. M. & St. P. loop last Friday afternoon. Sparks from the locomotive pulling the way freight are thought to have started the fire and on account of the dry weather, the brisk west wind which was blowing soon fanned up a roaring blaze headed for the wood yard. The village and mill fire departments were called out and succeeded in getting the fire under control after a few hours battle, confining it to the west side of the tracks. Port Edwards responded promptly to a call for more hose which was necessary in order to get two streams on account of the distance from the nearest hydrant on Market street. Fire broke out again north of the loop on Tuesday at about one o'clock while the wayfreights were in. The fire department responded to the alarm and quickly put out the fire.

Al Smith, formerly located at Nekoosa, but more recently at Bancroft, has applied for a saloon license at Pittsville in place of Chas. Parker. Nekoosa people are going to celebrate in Nekoosa this time and the more of our friends from surrounding towns who come here to join us, the better we will like it.

Mr. John McLean and son, Clifford, arrived here from San Jose, California last week to reside here. Mr. McLean has been employed at San Jose as a street car conductor. He expects to return to Nekoosa in a couple of months.

## MEEHAN

Rev. Richardson of Ontario, a presiding elder of the U. B. church, was here last week looking after church affairs.

Perry Shook of Modill was here last week helping his son Harry break some new land.

Mr. and Mrs. D. H. Parks drove down to Strong's Prairie Saturday and spent the following day visiting with relatives.

## BIRON

Mr. and Mrs. Joe Grandshaw of Rudolph are making their final visit with relatives here before they leave for an extended visit in Canada.

Mrs. Jim Gokey of Rudolph spent a few days here the past week with her daughter, Mrs. H. Weaver and family and her son, Frank Gokey and wife.

Mr. and Mrs. A. L. Akey Sundayed in your city.

Miss Erma Swartz of the south side is here to spend the summer with her sisters, Mesdames Clarence Sipe and Ernest Peterson and families.

Miss Agnes Mauger and Harry Rivers attended a party at the latter's home at Rudolph Saturday night.

Mr. and Mrs. John Magnuson of Irma were the guests of Mr. and Mrs. John Johnson the past week.

M. and Mrs. O. H. DeLong, nee Elsie Akey, of Fond du Lac are the proud owners of a baby boy, born last Friday. This may interest many here as Mrs. DeLong is well and favorably known in this vicinity.

The big draft horse belonging to the company here is very sick at this writing.

**Scared into Sound Health.**

Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder, which grew worse until I became alarmed at my condition. I suffered also with heavy headaches and the action of my bladder was annoying and painful. I read of Foley's Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was normal, and I was free of all distress." Johnson & Hill Co. and J. E. Daly.

## PITTSVILLE.

(From the Recorder.)

H. McMullen and family leave today for Alma Center where Mr. McMullen has traded his property here for a farm at that place. Chester will, however, return here in the fall and continue his schooling at Pittsville. The man to whom he has traded the property here in the city will go into the chicken business.

L. Nelson, living near City Point, suffered the loss of his tool shop and big chicken house by fire one day last week. His loss includes the farm wagon, sleigh, harness and a quantity of chickens. The fire is of doubtful origin and Mrs. Nelson was the only one at home at the time. It is covered by a little insurance.

Ash Fishhook comes to the front with a new appliance for which he has made application for a patent. It is an ingenious contrivance for the cultivation of the potatoes and giving the baby a ride at the same time and as Ash states it keeps the lady of the house out of mischief. His plan is to simply put a pair of cultivator shovels on the baby carriage and straddle a row of potatoes, and then all you have got to do is to push, thus entertaining the baby while you hoe the garden.

A quantity of Fourth of July goods caught fire from spontaneous combustion caused by the heat of the sun in the west window of the Honzaan drug store Sunday afternoon. It was noticed by passers by on the street, the window broken in and water from the nearby town pump thrown on until the flames were subdued.

Geo. N. Wood arrived in the city Friday on his way to his home at Grand Rapids after an extended trip through the west taking in Minneapolis, St. Paul, Hudson, Eau Claire, Chippewa Falls and Stanley. He made some very good time and says the country west is drier than here.

Chas. Heuer placed an order with Mr. Davis for a new Buick automobile last week. The machine will be along shortly.

Chas. Parker was at Shellsburg and other points in that part of the state the latter part of last week and this looking for a location.

## KELLNER

Nearly everyone attended Ringling Bros. Great Show. Although Ringling Bros. circus was late on account of some bad luck on the way up from Beaver Dam, where they showed the day before, their show was proclaimed ideal by each and every person who attended. Everything that appeared on the bill boards and advertising papers was seen by the audience, actually done, which proves them to be a respectable company and no fake.

Little Leslie Guesell, son of Mr. and Mrs. Charlie Guesell, is seriously ill. Dr. J. J. Looze of your city is the attending physician.

Our mail man makes his regular trips with an auto cycle which brings him around about three hours earlier.

Miss Minnie Peickard returned to her home at Stevens Point after visiting at the Rev. Krusche home for some time.

The Joecks Brothers will give a Fourth of July celebration this year. A ball game will take place in the afternoon between the Indian nine from Elm Lake and the home team. Races and other attractions will also take place. Music will be furnished by the Big Four orchestra. The balloon may go up, but if it doesn't, Zeppelin's airship will surely go up and take some passengers along.

Remember that Mr. Winger, our blacksmith, has a hay rake and buggy for sale cheap. Almost a give away.

Next Sunday there will be a quarterly meeting at the school house of the Lutheran congregation.

Mr. and Mrs. David Ramsey of the former's parents, Mr. and Mrs. Warren Ramsey, David Ramsey conducts a large farm at Saratoga.

Miss Sophia Joecks returned from Milwaukee on Tuesday.

Master Milton Fay of Almond is visiting at the home of his uncle, G. H. Munroe.

Mr. Gallagher, who has charge of his brother-in-law's farm at Princeton, came home on Saturday to look after his interests here.

Mr. Basing, the O. and N. W. R. R. agent of your city, was in our burg looking after freight interests and also for a new man to take charge of the depot.

Last Sunday there was a ball game played between the home team and a team from your city without a name. The last time they were out we called them the "High School kids," but they said that was an insult so this time we will call them "Honorable Men." They thought they had run up against a "kid," but they did not.

The score was 5 to 4 in favor of Kellner.

Miss Elizabeth Henkle is the owner of a new Kimball Organ.

Wm. Conner was on our streets Saturday.

## Millions Spent or Frauds.

Over \$15,000,000 annually is poured into the coffers of those who exploit and advertise fake consumption cure, according to a statement issued today by the National Association for the Study and Prevention of Tuberculosis; and for this vast sum the victims receive nothing in return, but are often permanently injured and in the majority of cases cheated out of the chance for a real cure. Worse still, most of this money is paid by those who can least afford it.

The National Association has investigated several hundred so-called "cures" and "treatments" for tuberculosis now being advertised throughout the country, and finds that more than \$3,000,000 a year is being spent in soliciting the patronage of the public. On examination, it has been found that the great majority of these "cures" contain harmful and habit forming drugs such as morphine, opium and chloroform. None of them will cure consumption. The only cure for this disease that has ever been discovered is the combination of fresh air, rest and wholesome food. All of the "cures" that attempt to destroy the tubercle bacillus without these or to stop the progress of the disease in some mysterious way are branded as frauds, and impositions.

Three classes of "cures" are distinguished by the National Association. In the first class are included devices and drugs which can be bought for any sum ranging from ten cents to five dollars at a drugstore. The United States Department of Agriculture has just issued a bulletin in which some of the most used of these drugs and remedies are analyzed and condemned. The second class of "cures" includes the "institutes," "professors" or companies of "doctors," who for a consideration guarantee to cure consumption by some secret method of which they are the sole proprietors. There are nearly one hundred and fifty of these institute frauds in the United States, cheating the people out of millions of dollars annually.

In the third class of "cures" are placed a number of home made remedies, which either through ignorance or superstition have been advanced as treatments for tuberculosis. Some of these are, onions, lemons, rattlesnake poison, coal dust, lime dust, pliers' blood, dog oil, milk, and even alcohol.

These will not cure consumption declares the National Association. No drug, gas or other material has yet been discovered, which, when eaten, inhaled or injected into the body, will kill the germs of tuberculosis. Fresh air, which contains more oxygen than any substance known, will destroy the germs of tuberculosis, if it is breathed continuously for a long enough period, and if rest and wholesome food are employed at the same time to build up the body.

## The Conservation of Nature's Resources.

Applies as well to our physical state as to material things. C. J. Budlong, Washington, D. C., realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Johnson & Hill Co. and J. E. Daly.

Cooling & Emmons have raised their printing office building and excavated under it and built a concrete wall about the basement so that when completed the printing office will occupy the downstairs. A new front is also being built onto the place and when everything is completed it promises to present a much improved appearance.

John M. Johnson of Biron was a pleasant caller at this office on Saturday. Mr. Johnson was accompanied by John Magnuson of Iron, who in company with his wife, are visiting at the Johnson home this week. Mr. Magnuson was a resident of this city nineteen years ago and since leaving here has been engaged in farming mostly all the time near Iron. Just to show his friends down here what kind of soil they had in Lincoln county Mr. Magnuson brought with him some stacks of rye from his farm that measured seven foot and six inches. He reports crops in general as looking good up his way.

Minneapolis Gazetteer:—A wedding which came as a great surprise to most of our Lake Harriet people was that of Miss Lillian Pontaine, daughter of Mr. and Mrs. Paul B. Pontaine of Queen Ave., to Roy M. Sarver of Redfield, South Dakota, Tuesday afternoon at 5 o'clock. Mr. Sarver's parents live at Redfield but the young man has been living at Redfield for some time. Miss Pontaine has taught school for two years at Redfield. The newly wedded couple left immediately after the ceremony which was performed by the Rev. Jas. Cool for a two weeks honeymoon trip and later will make their home on a ranch in Montana. Mrs. Sarver has been one of the most popular young women of Linden Hills. Known and loved by everyone. The Gazetteer joins the host of friends in wishing Mr. and Mrs. Sarver a long and happy wedded life.

The season of the treasure hunt is once more "on," and all along the Atlantic coast, from Labrador to the Gulf of Mexico, with side excursions to the islands of the Caribbean sea, optimistic persons who have resurrected some legend of pirate gold which seems to them convincing, are touring the face of nature in an attempt to find chests of coin and jewels—or casks of rum. At this point the reader will suspect an anti-climax. The statement is not so intended. Buccaneers had to cache their stores of solid and liquid provision, and they did not always find opportunity to dig them up again. A tradition of substance attaches to Oak Island, in Mahono bay, Nova Scotia, as the scene of a "plant" of valued beverages, and an available vanguard who professes to have located it is endeavoring and to have "drunk some of the rum." It is still a questionable ornament of the flag of a family region. Undoubtedly much treasure of a more desirable quality has been plundered during the last century or two and quietly carried away, there being more than one reason why discoverers of such loot should hold their tongues about it. Probably, however, the legend that gave the clue will persist for centuries to come, inspiring adventures yet unborn to spend much valuable time in digging on Jewed Island or Gardiners Island or Campbell's or any one of a hundred other places.

The possibilities and the utility of the home garden are getting pretty well understood in Kansas City. Last year's numerous experiments brought profitable results. With the city club and the Athenaeum ready to co-operate, ready to give practical suggestions to those who wish to cultivate garden patches, the home owners of Kansas City should take advantage of this means of bettering the condition of their tables and participating in good, wholesome outdoor exercise at the same time, says Kansas City Star.

It is about time to revive those stories about halibut bones as big as hen's eggs. And now the yarn comes from the sea—a veritable tale told by, and not to, the marines. The captain of the British steamer Aureole, arrived at Galveston, says the vessel passed through a remarkable storm in the Gulf of Mexico, during which damage was done to the rigging and super structure by the hail, "which ranged in size to larger than hen's eggs." And as the captain can point to the battered appearance of his ship as proof, it would seem that he is quite beyond suspicion as being a weather faker.

"Never put a campaign cigar in the mouth" might be proposed for its cunning end if it is true which is alleged against the campaigner. However, there are candidates now and then who use real cigars while working their campaign.

## RATES AGREED UPON

REVISED RAILROAD BILL IS PRESENTED IN BOTH HOUSES OF CONGRESS.

### CONFEREES' WORK AT AN END

Rigid Law Is Provided—House Provision for Long and Short Haul Retained—Commerce Court Created as Desired by Senate.

Washington.—Immediately after the conference of the conferees and how the conferees a complete agreement upon the railroad bill Tuesday, Senator Elkins held the report before the senate.

The agreement was in accordance with an announcement made at the conclusion of a conference at the White House.

The conferees decided to take the house provision as to the long and short haul and the senate provision giving the interstate commerce commission ten months in which to pass on new rates. The president's wishes for a commission to investigate and recommend a method for supervising future stock and bond issues will be met.

The long and short haul clause as adopted by the house provides that railroads shall not charge more for a short haul than for a long haul, the interstate commerce commission to have power to decide when exception may be made to this rule by reason of water competition, etc.

The house had the way in having the court which is to be created called a commerce court instead of a United States court of commerce, as desired by the senate. It will be a court of record and composed of five judges, to be named from among circuit judges for the period of five years.

The court will have the jurisdiction now possessed by the circuit courts of the United States and the court may hear all writs and processes appropriate to the full exercise of its jurisdiction and powers and establish rules concerning pleading practice and procedure.

A final judgment or decree may be reviewed by the Supreme court if appeal be taken by an aggrieved party within 60 days after the entry of the final judgment or decree.

The attorney general is given charge and control of the interests of the government in all cases and proceedings in the court, and to the Supreme court of the United States upon appeal from the court; and, if in his opinion, the public interest requires it, he may exercise jurisdiction.

Every common carrier must, within 60 days after the passage of the act, designate an agent in Washington upon whom service of all notices and processes may be made.

The conferees bill, which will be the law, will provide for the supervision, control, and regulation of telegraph, telephone, and cable companies in the same way and to the same extent as railroads and express companies. All charges made for the transmission of messages must be just as reasonable, and every unjust and unreasonable charge is declared to be unlawful.

The act will take effect after the expiration of 60 days after its passage, except as to the sections relating to the power of the commission over new rates and the appointment of the commission to investigate stock and bond issues.

### 200 DIE IN GERMAN FLOOD

Several Villages Destroyed in Ahr River Valley—Eighty-Seven Bodies Are Recovered.

Cologne, Germany.—It is estimated that 200 persons lost their lives in a flood that swept the valley of the Ahr river in the Rhine region. Eighty-seven bodies have been recovered. These were found along the river banks raised high by the flood or left stranded as the waters subsided.

A report received here says that 50 lives were lost at the village of Schmitt when a bridge which was crowded with persons watching the turbulent waters was "carried away."

Throughout the Ahr valley only one bridge is left standing. The floods were caused by a heavy rain that had continued for several days, causing the river Ahr to break its bounds. Sunday night there was a cloudburst and the waters choked the valley, drowning every living creature in their path and causing immense monetary damage.

Two barns in which Italian and Croatian laborers were housed were swept away and occupants killed in bed when the railway bridge was washed out and several villages were destroyed. Lightning, which accompanied the rains, did much damage. Later the flood subsided. There is much distress among the peasants of the valley who have survived, as most of them have lost their possessions.

Hold for "Gold-Bricking." Philadelphia.—Bills of indictment charging misuse of the mails were returned Tuesday by the United States grand jury here against Emil A. Stark and George W. Post, alleged "gold-brick" swindlers.

Laborers on Strike in Rio. Rochester, N. Y.—Several hundred laborers on strike for an increase in wages engaged in a riot Tuesday. Policemen Otto and Heachell attempted to disperse them when they were severely beaten.

Cuts Nicaragua in Two. New Orleans.—After issuing a proclamation setting up the independence of an eastern republic in Nicaragua, General Estrada, the insurgent leader, has fixed the boundaries of "his" division, according to the Dhonold American received here Monday. The American is Estrada's official paper. The bounds of the proclaimed republic extend the whole length of Nicaragua, and from the Atlantic ocean to the eighty-fifth parallel of longitude. This practically divides Nicaragua in half.

Foreman Is Killed in Strike. La Crosse, Wis.—John H. Studer, foreman of the La Crosse Pulp and Paper company's plant, was shot and killed Saturday as a result of a strike, and scores of citizens are adding the police in a search of the swamps near the Mississippi river for the murderer.

Canada Is Asking for a Treaty. Washington.—Canada has indicated to the secretary of state its desire to take up as early as possible the negotiation of a trade treaty with the United States.

Train Plunges Into Lake. Winipeg, Man.—A Canadian Pacific railway freight train crashed into a bowlder on the main line near Port Colborne, 900 miles east of Port Arthur Friday. The entire train plunged into Lake Superior and three trainmen were drowned.

Four Earthquakes in California. Santa Clara, Cal.—Four distinct earthquake shocks were registered by the seismograph at Santa Clara college Friday. The entire movement lasted about three minutes.

## PHINCHOT RAPS THE INTERESTS

PUT THEM OUT OF POLITICS, SAYS FORMER FORESTER.

Roosevelt's Friend in St. Paul Speech Assails the Tariff as Graft-Joints Party Leaders.

St. Paul, Minn.—Clifford Pinchot, speaking before the Roosevelt club here Saturday night, scored congress and the leaders of both political parties and characterized the present government of the United States as a government by and for the special interests.

"The people of the United States demand a new deal and a square deal."

"The motto in every primary—in every election—should be this: 'No watch dogs of the interests need apply.'"

"The alliance between business and politics is the most dangerous thing in our political life. It is the snake we must kill."

"The people of the United States believe that, as a whole, the senate and house no longer represent the voters by whom they were elected, but the special interests by which they are controlled."

"Differences of purpose and belief between political parties today are vastly less than the differences within the parties."

In discussing the tariff Mr. Pinchot declared that congress had directly violated the will of the people and thereby shown its alliance with the "interests."

He declared that conservatism had captured the nation and that its progress during the past twelve months had been amazing.

### DOLLIVER REPLIES TO FOES

States Payne Tariff Bill Was Product of Log Rolling by Congressmen.

Washington.—Senator Dolliver answered the critics of the insurgents in a speech delivered in the senate during the discussion of the provision of the sundry civil appropriation bill providing \$250,000 to enable the president to gather information bearing upon the operation of the new tariff law.

Mr. Dolliver's speech attracted widespread interest and was listened to attentively by senators on both sides of the chamber. It was the reply of the insurgents to the charges of party disloyalty and was a direct challenge to their opponents in the party.

The president's name was freely launched by his speeches were referred to without reserve.

Beginning with the declaration that the tariff discussion had been revived because of the tariff law, Mr. Dolliver declared there was no longer any freedom of conscience or of opinion such as had once made the Republican party strong.

Senator Dolliver fully stated that the Payne-Aldrich bill was the product of log rolling by combinations, where to get what he wanted one member was willing to give all the others what they wanted.

The so-called experts who advised the makers of the last bill, he said, were not honest.

### ANGRY CROWDS STONE GIRL

Drive Daughter of Governor Haskell From Guthrie Streets, Resenting Transfer of State Capital.

Oklahoma City, Okla.—In a wild automobile drive in the midnight hours Saturday, the son of the state of Oklahoma was brought to Guthrie to Oklahoma City, following the announcement that Oklahoma City was in the state capital fight by a majority of more than fifty thousand votes over Guthrie and Shawnee, Oklahoma City probably will be proclaimed the state capital.

The son was surreptitiously removed from the secretary of state's office and was now declared to be in the rooms of Governor Haskell at the Loo Luckless hotel.

Jane Haskell, 17-year-old daughter of Governor Haskell, was hooked and stoned from the streets of Guthrie Saturday night, when she started for Oklahoma City, and was forced to flee to the governor's rooms in the Royal hotel with her escort. She came to Oklahoma City on the first train.

Drops 8,000 to River. St. Louis, J. D. Four Earthquakes in California. Santa Clara, Cal.—Four distinct earthquake shocks were registered by the seismograph at Santa Clara college Friday. The entire movement lasted about three minutes.

### HAMILTON IN GREAT FLIGHT

SAILS AIR FROM GOTHAM TO PHILADELPHIA AND RETURN.

Biplane Travels at Express Train Speed in Longest City-to-City Trip on Record.

New York.—Charles K. Hamilton, the young aviator, made the most daring flight of his career Monday when he traveled from this city to Philadelphia, but on his return trip he experienced trouble with his motor and landed in a swamp near Perth Amboy, N. J.

A special train following him left the city of the biplane a few minutes later at Montic Park and there was no further news until the biplane was brought to the airport at Perth Amboy.

Hamilton had landed on the south shore of the Raritan river, two miles above Perth Amboy. His descent was deliberate and he was not hurt, nor did it appear at first sight that his aeroplane was damaged. The fact is that Hamilton had made his journey from Governor's Island to Philadelphia with only seven cylinders working.

The eighth cylinder went out of commission when he was 1,500 feet above the harbor. Nevertheless the first leg of the trip was a remarkable success.

Hamilton traveled the eighty-eight miles from Governor's Island to the aviation field at North Penn Junction in 1 hour and 50 minutes. He left Governor's Island at 7:33 and alighted at 9:26. At Philadelphia he stopped two hours and seven minutes for food, gasoline and oil, and, rising again at 11:33, hurried ahead of the special trip, which had become languid in the railway yards.

For thirty-five miles the train chased him at a speed sometimes reaching seventy-five miles an hour before it caught up with him, two miles beyond Princeton Junction, forty miles out.

Hamilton started from Governor's Island under the auspices of the New York Times and the Philadelphia Public Ledger. His propeller, broken in an attempted start twenty-five minutes earlier, was repaired quickly and the aviator made a graceful rise, circled the island and then climbed off over the Raritan valley at a height of about 225 feet.

### TWENTY PERISH IN BLAZE

Herald Building at Montreal Burns—Bindery Girls and Others Are Dead in Ruins.

Montreal, Que.—Bodies of 20 bindery girls and typewriters are buried beneath tons of wrecked machinery and heavy debris in the basement of the Herald building, which was wrecked by fire Monday.

Thirty were hurt, several fatally. Many of the dead met their death in slow torture. Flames were steadily creeping down upon them as they lay helpless and as a rescue party was fighting near by to penetrate the building.

The victims were swept downward through the building by a huge water tank which plunged from roof to cellar.

Almost instantly there was an explosion of gas from several pipes which hung about the sides of the immense jagged hole.

Flames, fanned by a stiff wind were soon sweeping the upper floors of the building.

Western Union Is Indicted. Washington.—Forty-two counts charging the Western Union Telegraph company with an equal number of violations of the anti-trust law of March 1, 1907, were contained in an indictment returned here Friday by the federal jury.

Artist Kills Himself. New York.—Leon Gulpon, whose illustrations have appeared in many magazines and who had begun to win reputation as a painter, shot and killed himself Tuesday. Gulpon was much given to melancholia recently.

Venezuela Ship Goes Down. Willemstad, Curacao.—The government schooner Van Herdt was wrecked off the coast of Curacao Monday. The captain, crew and passengers, with the exception of four sailors and one passenger, were drowned.

Steals \$7,500 From Packer. Boston.—James D. Matherway, book-keeper for the Swift Packing company at Lynn, was arrested Saturday, charged with stealing \$7,500 from the firm. He confessed and said he lost the money in the stock market.

Roberts to Be Mint Director? Washington.—It was rumored here Saturday George E. Roberts, president of the Commercial National bank of Chicago, may be offered the position of director of the mint. That office is now vacant.

Ties World's 100-Yard Mark. Cedar Rapids, Ia.—In Coe College Home field meet Saturday, Wilson, Coe's crack sprinter, tied the world's 100-yard record. Time 9.3 seconds.

Taft Insists on Provision in Rail Bill to Control Issues of Bonds by Roads.

Washington.—As the result of President Taft's insistence that the new railroad bill should include some provision looking to the control of the new issues of stocks and bonds by railroad companies, it was decided at a White House conference Saturday that a paragraph shall be added to the bill providing for a commission to investigate and report at the next session of congress the best means of dealing with this situation.

The president was told again that with all the Democrats but one opposed to giving the interstate commerce commission supervision on this subject, it was absolutely impossible to get an out-and-out provision for the control of stock and bond issues in the bill at this session.

There were present at the conference at the White House Speaker Cannon, Senators Eldridge and Aldrich and Mr. Mann of the conferees and Attorney General Wickham.

The president declared at the conclusion of the conference that he would continue to urge legislation to prevent "watering" of railroad stocks so long as he was in the White House.

It is understood that the president has receded from his position in regard to the time for the suspension of alleged unreasonable rates by the interstate commerce commission.

### HAPPILY AWAITS WELCOME

Colonel Roosevelt Addresses Polish Emigrants Aboard Ship—Woman Kisses His Hand.

Aboard S. S. Kaiserin Augusta Victoria, Mid-Atlantic, Via Crook Haven, Ireland. (Special Wireless message).—Three days of quiet aboard ship have sharpened Mr. Roosevelt's appetite for the welcome he knows is awaiting him in New York. In anticipating that he takes keener delight than he ever took in standing upon the thresholds of kings.

The first active interest he has shown in ship life was when he attended a religious service (Catholic) in the stateroom for the 1,200 Polish emigrants there. After mass was said Mr. Roosevelt, standing beside an improvised altar, draped with an American flag, preached a sermonette through an interpreter. He gave them all advice about what to do on landing, specially warning the women to beware of the "white slave" peril, advising them to stick close to their men folk.

When he finished speaking and his last words had been interpreted, a woman seized his hand and kissed it repeatedly.

Throughout the hundreds of other women rushed toward him, many weeping. With some difficulty he was rescued from this emotional feminine avalanche by the commander of the steamship, Captain Ruser, and some petty officers.

### ACCEPTS DRINK; IS SHOT

Husband Mortally Wounds Man Whom He Finds Dining With His Wife.

Detroit, Mich.—Finding Charles Cograt dining dinner with Mrs. Strobe in the rear room of Blom's saloon, Almo Strobe, the woman's husband, invited him to have a drink and when the invitation was accepted, pulled a revolver from his pocket and shot Cograt three times. Cograt is in St. Mary's hospital in a serious condition. Strobe was locked up. All parties live in Melrose, Ill.

Finds Charleston's Coat in Lake. Como, Italy.—A part of a man's coat declared by some of his fishermen neighbors to have belonged to Porter Charleston, was found Monday in Lake Como, from the waters of which the body of his murdered bride, Mary Scott Castle Charleston, was recovered last Friday. The torn garment was fished up from the bottom of the lake, near the spot where the trunk containing the body of the woman was found. This discovery strengthens the theory of many that a double murder was committed.

Bleacher Rooter Drops Dead. Peoria, Ill.—During the excitement at a ball game Saturday between Peoria and Springfield William Blister, a retired farmer of Averyville, dropped dead while sitting in the bleachers. It is thought he was overcome with enthusiasm after Peoria had scored two runs.

Ties World's 100-Yard Mark. Cedar Rapids, Ia.—In Coe College Home field meet Saturday, Wilson, Coe's crack sprinter, tied the world's 100-yard record. Time 9.3 seconds.

## PUTS BAN ON FIGHT

GOVERNOR ORDERS ATTORNEY GENERAL TO STOP JEFFRIES-JOHNSON BATTLE.

CONTEST MAY GO TO NEVADA

Rickard and Gleason When Notified of Move Say They Will Not Violate California Executive's Order.

San Francisco.—Governor Gillett Wednesday directed Attorney General Webb to stop the Jeffries-Johnson fight on July 4.

Mr. Webb said that he would take the necessary steps at once, Governor Gillett in a long-distance telephone conversation said.

"I have instructed Attorney General Webb to stop the Jeffries-Johnson fight and I shall expect him to do so."

When informed of the governor's action Tex Rickard, who with Jack Gleason is promoting the battle said:

"If Governor Gillett has stated he will not permit us to handle the Jeffries-Johnson fight in this state, that settles it. We will not attempt to 'back' him. I shall order my people on the arena at once and take the fight elsewhere. I prefer Salt Lake, but Reno and Elko, Nev., will also receive consideration."

Jack Gleason, who was present, voiced the expressions of his protest.

The sudden move on the part of the governor threw this fight into a state of panic. The news flew like a prairie fire and inside of an hour the hotel lobbies were filled with excited men and the newspaper offices were besieged by hundreds eager for a confirmation of the rumor. Attorney General Webb furnished the confirmation.

The governor, said he, "has directed me to take such steps as may be necessary to stop the fight. This matter has nothing to do with city or otherwise or city officials because the action we shall take will proceed under the statutes of the state of California. As to the character of the action which we shall take, I will say nothing at this time, save that it will be such as is necessary to accomplish the governor's purpose."

District Attorney Pickert was amazed when informed of the governor's action.

"Governor Gillett has had one long administration," said he, "during which many boxing exhibitions have been promoted in the state and it seems strange that he should single out any one fight as an exception. If one fight is illegal, then all must fall under the ban, and if this fight is stopped all fights within the state must likewise be illegal."

The law of the state of California permits limited round boxing exhibitions. It now remains for the attorney general to prove before the fact that this is to be a prize fight and not a boxing exhibition. The supreme court of the state has never been called upon to define the difference between a boxing exhibition and a prize fight, the one being legal and the other illegal.

### BIG DEAL IS UNDER FIRE

Officials of United Wireless Telegraph Company Arrested Charged With Misuse of Mails.

New York.—President Wilson and Vice-President Hiram of the United Wireless Telegraph company were taken into custody by United States Marshal Hendon at the company's office on Broadway Wednesday and arraigned before United States Commissioner Shields to answer a charge of misuse of the mails.

Chief Post Office Inspector Mayer charges the officials with a gigantic stock-manipulation plan, declaring that the capital of the company, when assets were about \$100,000, had been increased by an interchange of securities and that the price of these shares had been raised arbitrarily to such large amounts that the company at this time had an apparent stock-market value of \$1,000,000,000.

Mr. Mayer states that one of the officers has cleaned up \$500,000. He says there are 28,000 stockholders throughout the country who have placed their money with the company on the representation of its officers that it had a surplus of nearly \$7,000,000, when in a matter of fact the company was failing to make its operating expenses.

Mr. Mayer further states that the inside officers of the company were privileged to sell their stock while outsiders were required to accept stock certificates stamped "not transferable until February 11, 1911."

Inspector O'Brien seized the books and papers of the company as evidence in the case. The complainant named in the charge on which the arrests were made is Michael C. O'Brien of Waterbury, Conn.

Wilson was released on \$25,000 bond and Bogart's bond was \$45,000.

Washington.—The largest judgment ever entered by a United States court in favor of the government growing out of a prosecution for attempting to bring alien laborers into this country in violation of law, has been reported to the department of commerce and labor from Tucson, Ariz., where the jury rendered a verdict of \$15,000. This was \$1,000, the penalty fixed by statute, for each of 15 persons whom it was attempting to import. The defendant was a construction company of Los Angeles.

Wife's Love Is Worth Money. Freeport, Ill.—A jury in the circuit court here Tuesday awarded \$10,000 damages to J. W. Coffman of German Valley in his suit against Henry Janssen of Chicago, charged by Coffman with having alienated the affections of his wife.

Poison in a Clover Field. Toledo, O.—After eating a quantity of clover blossoms, Irene Warner of Samaria, Mich., died Wednesday. It is believed the blossoms came in contact with some kind of poison.

Asks 40,000 Harvest Hands. Topeka, Kan.—Basing his estimate on recent reports from the wheat belt of the state, Charles Harris, director of the state free employment bureau, stated Wednesday that Kansas will need about 40,000 harvest hands this year.

Diplomat's Arm Is Broken. Christiania.—Herbert I. D. Petre, the American minister to Norway, received a broken arm and his wife and niece were slightly injured in an automobile accident Tuesday.

WORK IT, AND SECURE 20 PER CENT. ON THE EXPENDITURE.

Farm lands in Canada increased in value this spring from fifteen to twenty per cent, and as a result of this increase thousands of those who have gone there within the past few years have had that much more value added to their holdings. There is proof here that as a field for investment there is nowhere to be found a more profitable one than in purchasing farm lands in Canada. And as a field for occupation and working the farms there more satisfactory return is given. The crops are always sure and the prices are always good. With the railroad entering and traveling all the settled parts, there are very few districts in which the farmer will be more than ten to twelve miles from a railway station. Roads are good, and big loads are easily handled. The price of getting grain to the port is not high. The price of the land is low on the prairie, and then in reaching the world's markets the railways have their rates controlled by the Government, and what may be considered a fair deal is certain. Good prices for all kinds of farm products are the rule, and the increase in value of the land is proof here that it is not difficult to understand that the profit to the man who works his land is just that much more, and there will be no depreciation. The man who holds a free homestead of one hundred and sixty acres of land, which he got for no other cost, has his land worth at its lowest estimate in worth \$10 an acre—yes, \$15 an acre in the present time.

## COUNCIL PROCEEDINGS

Council Chamber, June 20th, 1910.  
Council met in adjourned session, Mayor Wheeler presiding. Present: Aldermen Andrew, Bamberg, Abel, Ellis, Davis, Panter, Getzloff, LaKasowski, Glanister, Jackson, Friebanow, Nash, Mosher, Payne and Jeffrey. Absent: Alderman Hallingay.

On motion, the reading of the minutes of the last adjourned meeting was dispensed with.

The street committee reported on the offer of F. J. Wood stating he would donate a strip of land on Vine street about 3 ft. wide in front of the post office or Wood block to the city, providing the city would build a new walk in front of the post office or Wood block.

On motion, the report was adopted by unanimous vote the clerk calling the roll, providing Mr. Wood would give the city a quit claim deed to the land on Vine street between the bridge and Second street and between the Wood block and the old bank building as the same is now occupied by sidewalks and streets.

On motion, the street committee was authorized and instructed to proceed to buy the necessary material and pave Vine street from the bridge to Second street providing F. J. Wood will pay two-thirds of the cost of same as reported by the street committee by unanimous vote the clerk calling the roll.

On motion, Aldermen Davis, Nash and Payne were appointed a committee to confer with the committee on courthouse of county Board to purchase the brick and curbing in front of the courthouse if the same can be purchased at a satisfactory price.

The sidewalk committee reported on the petition of Mrs. J. H. Price and others, praying that a standard sidewalk be laid on the north side of Saratoga street in front of lots 1 and 2, block 5 and lots 4 and 5, block 6, Wood's Addition, recommending that the prayer of the petitioners be granted the sidewalk laid. On motion the prayer of the petitioners was granted.

On motion, by unanimous vote the clerk calling the roll F. J. Wood and The Wood County National Bank were granted permission to put in the two iron electric light poles at the intersection of Vine and Second streets and the city will furnish the current but the current must not cost the city any more than the cost of one arc light.

Alderman Andrew reported that he had an offer to paint the two grand stands for \$20.00.

On motion, the committee on general business was authorized and instructed to have the grand stands painted with St. Louis red sand and pure boiled linseed oil, by unanimous vote the clerk calling the roll.

On motion, the sewer committee was authorized and instructed to build the sewer on 3d street about 200 ft. commencing at the creek and go north, by unanimous vote the clerk calling the roll.

The petition of Mrs. Margaret Steed to lay and construct a water main and sewer on 7th Ave. South from 14th street to Summer street was on motion referred to the waterworks and sewer committees.

On motion, council adjourned, M. G. Gordon, W. E. Wheeler, Mayor.

## ORDINANCE NO. 151.

An Ordinance regulating tapping sewers in the city of Grand Rapids, Wisconsin.

The Common Council of the City of Grand Rapids, Wisconsin, do ordain as follows:

Section 1. Any person or persons desiring to tap sewers in the said city of Grand Rapids, shall before doing the same, secure the written permission of the committee on sewers signed by the chairman of said committee, stating the sewer for which permission to tap is granted and the location of the proposed service connection, and the size of the proposed service connection; the connection or tap shall be made under the supervision and subject to the control of the City Engineer.

Section 2. Any person making a tap or connection with any of the sewers of said city of Grand Rapids contrary to Section One of this ordinance shall be deemed guilty of a misdemeanor and shall upon conviction thereof be punished by a fine of not less than Five (\$5.00) Dollars nor more than One Hundred (\$100.00) Dollars or by imprisonment in the county jail not less than one day nor more than twenty days or by both such fine and imprisonment in the discretion of the Court.

Section 3. This ordinance shall take effect and be in force after its passage and publication.

Passed, adopted and approved June 20th, 1910.

W. E. Wheeler, Mayor.

## ORDINANCE NO. 150.

An Ordinance to amend Ordinance No. 111 entitled "An Ordinance to regulate the speed of automobiles and the manner of crossing the wagon bridge with the same in the City of Grand Rapids, Wisconsin."

The Common Council of Grand Rapids, Wisconsin, do ordain as follows:

Section 1. Ordinance No. 111 entitled "An Ordinance to regulate the speed of automobiles and the manner of crossing the wagon bridge with the same in the City of Grand Rapids, Wisconsin," is hereby repealed.

Section 2. This ordinance shall be in force and take effect from and after the date of its passage and publication.

Passed, adopted and approved June 20, 1910.

W. E. Wheeler, Mayor.

## NOTICE TO BIDDERS—SEWER ON 17TH AVENUE WEST SIDE, GRAND RAPIDS, WISCONSIN.

Notice is hereby given that the Board of Public Works of Grand Rapids, Wisconsin, are ready to receive sealed bids for the furnishing of all the material, implements, tools, etc., and all the labor and services necessary to build and construct sewer on Seventeenth Avenue on the West Side in the City of Grand Rapids, Wisconsin, strictly according to plans and specifications for the same, which are now on file in the office of the city engineer in the Library building in said city of Grand Rapids.

Sealed bids will be received by the Board of Public Works up to and including the 15th day of July, 1910 at 11:00 o'clock in the forenoon. All bids shall be enclosed in an envelope securely sealed and be endorsed as follows, to-wit: "Proposal for furnishing material and building and constructing Seventeenth Avenue Sewer" and the name of the bidder; and addressed and delivered to M. G. Gordon, City Clerk, any time prior to the 15th day of July, 1910 at 11 o'clock in the forenoon.

A certified check for ten per cent of the amount of the bid shall be enclosed with each proposal, and the said check to be payable to the order of M. G. Gordon, City Clerk of the city of Grand Rapids, Wisconsin as evidence of good faith of the bidder. If bid is not accepted, check will be returned, if bid is accepted and the bidder enters into contract and complies with the terms of this notice, check will be retained, otherwise the check will be returned. A bond will be required of the successful bidder in an amount equal to the amount of the proposal.

The contract for the work, will be drawn without expense to the bidder by the City Attorney and will provide in substance that the bidder must furnish all material, tools, implements, etc., and all the work, labor and services necessary to do all of said work strictly according to the plans and specifications heretofore referred to, and to the satisfaction of the city engineer of said city.

Payments will be made on the estimates of the City Engineer from time to time up to eighty per cent of the amount of the material furnished and labor and services performed at time of estimate until work is finally completed and accepted by the City Engineer when the balance due will be paid.

The city reserves the right to reject any and all bids and the right to buy the sewer pipe.

Dated this 18th day of June, 1910

W. E. Wheeler, Mayor.

R. W. Ellis, Robert Nash, P. H. Jackson, Chris Getzloff, Aldermen.

Board of Public Works.

## Sprinkling Hours Changed.

Another hot day has been made in the hours for sprinkling laws about the city, the new rules going into effect on Monday last. The new rules will allow sprinkling from 6 to 7 p. m. on Tuesdays and Thursdays and from 8 a. m. to 6 p. m. on Sundays.

## Good to Recommend Them.

Mr. R. Weckley, Kokomo, Ind., says: "After taking Foley Kidney Pills, the severe backache left me, my kidneys became stronger, the secretions natural and my bladder no longer pained me. I am glad to recommend 'Foley Kidney Pills.' In a yellow package, Johnson & Hill Co. and J. E. Daly.

## Grand Rapids One day this Moon

—On July the 8th I will again come to Grand Rapids, and treat as many as I can, of those that come to me with their afflictions. I use no medicine, no knife, neither do I make any charges. The bazaar on the streets reads the same treatments as the banker or the millionaire does. Especially those that have had no relief from physicians and surgeons. Those I am anxious to meet and prove to them that there is relief for them in my method of treatment which is the laying on of the hand during the new of the moon. - I will be at the Witter Hotel on above date.

Phillip Yackel.

## Notice to Water Users.

—During this dry spell, and until further notice, all water users of city water are requested to boil the water before using as we are obliged occasionally to turn on river water. To be on the safe side boil all water before using for family purpose and be as sparing as possible in the use of water. Yours respectfully,

Fred Pfeiffer, Supt.

## COUNCIL PROCEEDINGS

Council Chamber, June 20th, 1910.  
Council met in adjourned session.  
Mayor Wheeler presiding. Present,  
Aldermen Andrew, Damborg, Abel,  
Ellis, Davis, Pauter, Getzloff, Lu-  
kewski, Gilmaner, Jackson, Pri-  
bnow, Nash, Mosher, Ryne and  
Jeffrey. Absent Alderman Billmyre.  
On motion, the reading of the  
minutes of the last adjourned meeting  
was dispensed with.  
The street committee reported on  
the offer of F. J. Wood stating he  
would donate a strip of land on Vine  
street about 3 ft. wide in front of  
the post office or Wood block to the  
city, providing the city would build  
a new walk in front of the post office  
or Wood block.

On motion, the report was adopted  
by unanimous vote the clerk calling  
the roll, providing Mr. Wood would  
give the city a quit claim deed of the  
land on Vine street between the  
bridge and Second street and the  
old Bank building as the same is now  
occupied by sidewalks and streets.

On motion, the street committee  
was authorized and instructed to  
proceed to buy the necessary material  
and pave Vine street from the bridge  
to Second street providing F. J. Wood  
will pay two-thirds of the cost of  
same as reported by the street com-  
mittee by unanimous vote the clerk  
calling the roll.

On motion, Aldermen Davis, Nash  
and Payne were appointed a com-  
mittee to confer with the committee  
on courthouse of county Board to  
purchase the brick and masonry in  
front of the courthouse if the same  
can be purchased at a satisfactory  
price.

The sidewalk committee reported  
on the petition of Mrs. J. H. Price  
and others praying that a standard  
sidewalk be laid on the north side of  
Saratoga street in front of lots 4 and  
5 Block 5 and lots 4 and 5 Block 6  
West's Addition, recommending that  
the prayer of the petitioners be  
granted. On motion the prayer of the  
petitioners was granted.

On motion, by unanimous vote the  
clerk calling the roll F. J. Wood and  
The Wood County National Bank  
were granted permission to put in  
the two iron electric light posts at  
the intersection of Vine and Second  
streets and the city will furnish the  
current but the current must not cost  
the city any more than the cost of  
one are light.

Alderman Andrew reported that he  
had an offer to paint the two grand  
stands for \$50.00.

On motion, the committee on  
general business was authorized and  
instructed to have the grand stands  
painted with St. Louis red seal lead  
and pure boiled linseed oil, by un-  
animous vote the clerk calling the  
roll.

On motion, the sewer committee  
was authorized and instructed to  
build the sewer on 3d street about  
300 ft. commencing at the creek and  
go north, by unanimous vote the  
clerk calling the roll.

The petition of Mrs. Margaret  
Skool to lay and construct a water  
main and sewer on 7th Ave. South  
from Hule street to Sumner street was  
on motion referred to the waterworks  
and sewer committees.

There was presented a proposed  
ordinance being an ordinance chang-  
ing the Plans of Sewerage for said  
city of Grand Rapids.

On motion, notice of the proposed  
ordinance was ordered published two  
weeks previous to July 12th, 1910.

There was presented ordinance No.  
150 being an ordinance regulating the  
speed of automobiles in the city of  
Grand Rapids, Wis., and adopted by  
unanimous vote the clerk calling the  
roll. (The same may be seen in  
legal form.)

There was presented ordinance No.  
151 being an ordinance regulating the  
tapping of sewers in said city of  
Grand Rapids and adopted by un-  
animous vote the clerk calling the  
roll. (The same may be seen in  
legal form.)

The City Attorney reported on re-  
taining the wall along First street  
North above the dam of the Con-  
solidated Water Power & Paper com-  
pany stating that the city was with-  
out any power to compel said com-  
pany to construct such wall.

Alderman Abel did not agree with  
said report and stated that he thought  
that the city could compel the said  
Consolidated Water Power & Paper  
Company to erect said wall, so he  
was appointed a committee of one to  
investigate and report on same at  
next meeting.

On motion, the proceedings of the  
Board of Public Works accepting the  
bid of W. T. Jones of \$2750.00 for the  
construction of the reservoir were  
ratified. The contract was approved  
and accepted.

On motion, the action of the Board  
of Public Works on 17th Avenue and  
Washington Avenue sewers was con-  
firmed and notices ordered published  
for bids at once.

## ORDINANCE NO. 151.

An Ordinance regulating tapping  
sewers in the city of Grand Rapids,  
Wisconsin.

The Common Council of the City  
of Grand Rapids, Wisconsin, do or-  
dain as follows:

Section 1. Any person or persons  
desiring to tap sewers in the said  
city of Grand Rapids, shall before  
doing the same, secure the written  
permission of the committee on  
sewers signed by the chairman of said  
committee, stating the sewer for  
which permission to tap is granted  
and the location of the proposed ser-  
vice connection, and the size of the  
proposed service connection; the con-  
nection or tap shall be made under  
the supervision and subject to the  
control of the City Engineer.

Section 2. Any person making a  
tap or connection with any of the  
sewers of said city of Grand Rapids  
contrary to Section One of this or-  
dinance shall be deemed guilty of a  
misdemeanor and shall upon convic-  
tion thereof be punished by a fine of  
not less than Five (\$5.00) Dollars nor  
more than One Hundred (\$100.00)  
Dollars or by imprisonment in the  
county jail not less than one day or  
more than twenty days or by both  
such fine and imprisonment in the  
discretion of the Court.

Section 3. This ordinance shall  
take effect and be in force after its  
passage and publication.

Passed, adopted and approved June  
20th, 1910. W. E. Wheelan,  
Mayor.

## ORDINANCE NO. 150.

An ordinance to repeal Ordinance  
No. 111 entitled "An ordinance to  
regulate the speed of automobiles and  
the manner of crossing the wagon  
bridge with the same in the City of  
Grand Rapids, Wisconsin."

The Common Council of Grand  
Rapids, Wisconsin, do ordain as fol-  
lows:

Section 1. Ordinance No. 111 en-  
titled "An ordinance to regulate the  
speed of automobiles and the manner  
of crossing the wagon bridge with the  
same in the City of Grand Rap-  
ids, Wisconsin, is hereby repealed.

Section 2. This ordinance shall be  
in force and take effect from and  
after the date of its passage and  
publication.

20, 1910. W. E. Wheelan,  
Mayor.

## NOTICE TO BIDDERS.—SEWER

ON 17TH AVENUE WEST SIDE,  
GRAND RAPIDS, WISCONSIN.

Notice is hereby given that the  
Board of Public Works of Grand  
Rapids, Wisconsin, are ready to re-  
ceive sealed bids for the furnishing  
of all the material, implements,  
tools, etc., and all the labor and ser-  
vices necessary to build and construct  
sewer on Seventeenth Avenue on the  
West Side in the City of Grand Rap-  
ids, Wisconsin, strictly according to  
plans and specifications for the same,  
which are now on file in the office of  
the city engineer in the Library  
building in said city of Grand Rap-  
ids.

Sealed bids will be received by the  
Board of Public Works up to and in-  
cluding the 15th day of July, 1910 at  
11:00 o'clock in the forenoon. All  
bids shall be inclosed in an envelope  
securely sealed and be endorsed as  
follows: "Proposal for furnishing  
material etc. and building and  
constructing Seventeenth Avenue  
Sewer" and the name of the bidder;  
and addressed and delivered to M. G.  
Gordon, City Clerk, any time prior  
to the 15th day of July, 1910 at 11  
o'clock in the forenoon.

A certified check for ten per cent  
of the amount of the bid shall be in-  
cluded with each proposal, the said  
check to be payable to the order of  
M. G. Gordon, City Clerk of the  
city of Grand Rapids, Wisconsin as  
evidence of good faith of the bidder.  
If bid is not accepted, check will be  
returned, if bid is accepted and the  
bidder enters into contract and com-  
plies with the terms of this notice,  
check will be returned, otherwise the  
check will be retained. A bond will  
be required of the successful bidder  
in an amount equal to the amount of  
the proposal.

The contract for the work, will be  
drawn without expense to the bidder  
by the City Attorney and will pro-  
vide in substance that the bidder  
must furnish all material, tools, im-  
plements, etc., and all the work, la-  
bor and services necessary to do all  
of said work strictly according to the  
plans and specifications hereinbefore  
referred to, and to the satisfaction of  
the city engineer of said city.

Payments will be made on the es-  
timates of the City Engineer from  
time to time up to eighty per cent of  
the amount of the material furnished  
and labor and services performed at  
time of estimate until work is finally  
completed and accepted by the City  
Engineer when the balance due will  
be paid.

The city reserves the right to re-  
ject any and all bids and the right to  
buy the sewer pipe.

Dated this 18th day of June, 1910  
W. E. Wheelan,  
Mayor.

Stephenson Training school on that  
evening.

J. Wilcox, manager of the Johnson  
& Hill Co's dry goods store, de-  
parted on Tuesday for Marshfield to  
move his household goods here. Mr.  
Wilcox has rented the Jos. Staub  
house on the west side.

Miss Mary and Anna McMillan  
expect to leave on Thursday for  
Boston, Mass., and from there expect  
to make a tour thru the east. They  
will probably be absent about three  
weeks.

—LADIES WHITE LINEN  
WAISTES TRIMMED WITH EM-  
BOROIDERY AND PLAQUE LACE  
WORTH UP TO \$4.50 CHOICE \$1.98  
AT COHEN BROS. DEPT. STORE,  
GRAND RAPIDS.

Messieurs Nels Johnson and Peter  
McCamloy of this city and Thos.  
Hannifin and Mrs. Jos. White of  
the town of Sigel were called to Me-  
ford on Friday to attend the funeral  
of Mrs. George Fisher, nee Yinnie  
Doyle.

Will Hartsel returned on Monday  
from Lindsley where he spent the  
past week fighting fires around his  
mill. Mr. Hartsel reports everything  
very dry up there, but that most of  
the crops have withstood the drought  
very well so far.

Geo. L. Warren of Wausau was in  
the city on Monday calling upon our  
merchants in the interest of the Wil-  
son Mercantile Co. of Wausau, a new  
wholesale house which was estab-  
lished there recently. George has  
a good position with this firm and  
expects to move back there with his  
family in the near future.

Rev. Chas. Ristow, who has been  
attending the Lutheran seminary at  
Springfield, Ill., arrived home on  
Saturday, having completed his studies  
and been ordained to the ministry.  
Rev. Ristow will visit for several  
days with his parents and friends,  
expecting to leave on Saturday for  
Willmar, Minn., having been as-  
signed a congregation near there.

**Church Contract Let.**  
A. F. Billmyre has been awarded  
the contract for the erection of the  
new Congregational church, which  
will be built on the lots owned by  
the congregation on the east side.

The building will be constructed  
of sandstone and will cost about  
\$30,000, and should be a handsome  
structure when completed. It is ex-  
pected that work will be commenced  
at once and that the edifice will be  
completed by the beginning of the  
new year.

**A Collection of Birds.**  
The library commission has re-  
cently had constructed a glass case  
for the library building and D. M.  
Huntington has placed his collection  
of stuffed birds in the cases, and they  
certainly are a fine thing.

It might be stated here that this  
collection of Mr. Huntington's con-  
tains some exceptionally fine speci-  
mens of game fowl and song birds,  
which are mounted in a fine manner.  
The collection also contains a num-  
ber of small animals.

**Some Warm Weather.**  
W. E. Raymond reports that Tues-  
day was the hottest day of the season,  
the government thermometer register-  
ing exactly 100 in the shade on that  
day. This is the warmest that has  
been registered by the government  
thermometer, although other instru-  
ments about town have gone higher  
on several occasions.

**Sunday School Changes Time.**  
Beginning next Sunday the Con-  
gregational Sunday school will meet  
at 9:30 a. m. instead of at noon as  
heretofore.

During the hot months the school  
will be conducted as a "Summer  
School" and special exercises provided  
which will add to the interest.

**The Salvation Army.**  
On Wednesday evening, June 29th,  
Mr. Beardsley will speak at the Army  
hall. Everyone is invited to hear  
him.

Sunday meetings are as follows:  
2 p. m. Sunday school. 8 p. m.  
Salvation meeting. Everybody wel-  
come. There will be no service on  
Monday evening, July 4th. Other  
meetings held same as usual.

**Relic of the Past.**  
The modern housewife if she now  
sees an old clothes pounder in the  
collection is apt to ask: "What is that  
for?" It was used for pounding  
clothes in a barrel on washing day.  
It is far removed from the modern laun-  
dry or the washing machine of the  
present day.

Great Falls, Mont., where he will  
take charge of a 640 acre ranch for his  
brother Frank. The ranch is located  
about forty miles from Great Falls.

FOR SALE—Two houses with lots, also 3 lots  
separately. Inquire of C. E. Hoke, 2nd  
Helen Taylor and James Gaylor  
entertained a party of friends on the  
lawn at the home of Mr. and Mrs.  
C. M. Webb on Monday afternoon.  
The time was very pleasantly spent  
by the young people.

W. T. Jones has had a gang of  
men at work during the past week on  
the new reservoir for the city near the  
pumping station for the city near the  
pumping station. Considerable excavating has been  
done already and the work will be  
carried forward as rapidly as possible.

Foley's Kidney Remedy may be  
given to children with admirable re-  
sults. It does away with bed wetting,  
and is also recommended for use after  
measles and scarlet fever. Johnson &  
Hill Co. and J. E. Daly.

Grant Beardsley has rented from  
F. J. Wood the store building former-  
ly used by Cohen Brothers to keep  
flour and feed in and Mr. Beardsley  
will use the place in connection with  
his grocery store. As Mr. Cohen has  
to vacate the building he is disposing  
of his stock of flour and feed as  
rapidly as possible.

James Mason and Wallace Demore  
report the loss of their dogs by  
poison one night recently. That  
of Mr. Mason's was a pointer and that  
of Mr. Demore's a collie. Either  
gentleman would be pleased to re-  
ceive any information that would  
lead to the arrest of the criminal that  
did the poisoning.

**Church Notice.**  
Independence Day service at the  
Congregational church next Sunday  
morning. The pastor will preach.  
Subject: "The Cost and Worth of  
Freedom." Sunday school at 9:30  
a. m. during July and August.  
Young people's meeting at 7 p. m.  
All are invited.

**What Everybody Ought to Know.**  
That Foley Kidney Pills contain  
just the ingredients necessary to tone,  
strengthen and regulate the action of  
the kidneys and bladder. Johnson &  
Hill Co. and J. E. Daly.

**Sharkey Wins Bout.**  
The wrestling match which was  
pulled off at Maroon's hall at  
Rudolph on Monday night between  
Oskar Newman of Sigel and Dave  
Sharkey of Rudolph was won by  
Sharkey in straight falls. Both falls  
were taken in less than eight  
minutes.

**Johnson & Hill Grocery Dep't.**  
Now for the Glorious 4th of July  
PICNIC

Our stock of picnic supplies are  
the best in the city. In a few  
minutes you can get your basket so  
full of good things for your lunch  
that it will fairly groan. No hot  
work to get it ready either. There's  
no pleasure going to a picnic if you  
tire yourself out by cooking and pre-  
paring for it two or three days ahead.  
Ring us up and let us tell you our  
list of picnic goods that we can de-  
liver ready for your basket. We list  
just a few of them here:

Salmon, half lb. can, Plymouth  
Rock brand, 10 cts.  
Ricebean brand, half pound can,  
15 cts.

Olives, bottled and bulk, 10c and up  
Pickles bottled and bulk, 10c and 25c.  
Canned Meat 10 and 25 cts. a can.  
Baked Beans, the best in the mar-  
ket, 10, 15 and 20 cts. per can.

Fresh Potato Chips, fresh every  
few days, 20c per pound.  
All kinds of fresh fruits, vegetables  
at very reasonable prices.

**ARPIN**  
A. J. Cowell is up at Harshaw on  
a fishing expedition this week.

A small crowd very pleasantly  
surprised Walter Winebrenner Thurs-  
day evening, the occasion being his  
birthday anniversary. The evening  
was spent in card playing and danc-  
ing. An enjoyable evening was had  
by all present.

Don't forget to attend the celebra-  
tion to be given July 4th at Vesper  
under the auspices of V. O. B.  
Joe Roslock of Grand Rapids spent  
Sunday with friends here.

Mrs. O. Dinckeldein was a Grand  
Rapids shopper one day this week.

Mrs. C. W. Bluet was an  
Anuradale caller Wednesday.

Lame shoulder is almost invariably  
caused by rheumatism of the muscles  
and yields quickly to the free applica-  
tion of Chamberlain's Liniment. This  
Liniment is not only prompt and  
effective, but in no way disagreeable  
to use. Sold by all dealers.

**Grand Rapids One day this Moon**  
—On July the 8th I will again  
come to Grand Rapids, and treat as  
many as I can, of those that come to  
me with their afflictions. I use no  
medicine, no knife, neither do I  
make any charges. The beggar on  
the streets gets the same treatment  
as the banker or the millionaire.  
Especially those that have had no  
relief from physicians and surgeons,  
those I am anxious to meet and prove  
to them that there is relief for them  
in my method of treatment which is  
the laying on of the hand during the  
new moon. I will be at the  
Witter Hotel on above date.  
Roy, Timothy. Phillip Ray.

## Notice to Water Users.

—During this dry spell, and until  
further notice, all water users of  
city water are requested to boil the  
water before using as we are obliged  
occasionally to turn on river water.  
To be on the safe side boil all water  
before using for family purpose and  
be as sparing as possible in the use  
of water. Yours respectfully,  
Fred Pfeiffer,  
Supt.
